

FOJC ONLINE BIBLE SCHOOL

Instructions on Testing and Certificates (no college credit for these Certificates)

There will be several levels of Certificates - David will be getting that down on paper for me soon. I will get it posted here ASAP.

Call, write, or e-mail us to confirm you want to sign up for the School.

Ways to receive lessons and tests:

1. If you do not have a computer, you can still get the Bible School programs, tests, and certificates. Just Call us and sign up with all of your contact information. We will send you CDs of each lesson along with the printed Tests for each lesson. When you complete your tests, just mail the tests (keep a copy for your records) back to us and we will grade them and send you your certificate back.

2. Go to the Archives at the bottom of the Radio Page. Look for **“Bible School Instructions & Tests”**. The tests will be named and co-ordinated with the dates and titles of Online Bible School programs on the Archives. If you have a problem with getting the files, e-mail me or call and I will send you the PDF Tests as an attachment.

3. CDs of each Online Bible School Program used will be available upon request. However, they are listed and available on the Online Bible School Archives.

4. For those of you who are participating in the **School by Internet**, all the lessons can be downloaded and saved to your computer via the Archives. When you complete your tests, just mail the tests (keep a copy for your records) back to us and we will grade them and send you your certificate back upon completion of each level.

5. **How to use the PDF Test Question Archives:** You can open the PDF in Adobe Acrobat or Reader (Free Download from Internet). Open your word processor (MS Word, Word Pad, Open Office, Word Perfect, etc.) Print out and/or Copy Questions (right click). Paste the Questions into a file on your word processor (right click) and save it in a File on your word processor.

6. **Before you start Audio:** Print out Test to write answers to questions as you listen to CD/Audio or type answers into your word processor opened Question sheet from PDF. Save (save as) the new Question & your Answer File on your Word processor with a new name. Click on the Audio link I send you, or choose one from the Archives and open it.

You can then publish the file in a PDF from your word processor. Save it and send it as an attachment to us with your email or Print it out and snail mail it to us. Keep a copy for yourself (in case David calls you to discuss your answers) or you can Copy and Paste your Questions and Answers to us in the body of an email.
